OBITUARY

Eli L. Rollin was born November 19, 1858, in Lorain county, Ohio, being brought up there on a farm. At the age of 19 he became a mason, taking up that work as a vocation. He moved to Michigan with his parents when eight years old. They settled in Clinton county. When he was 28 he came to Gratiot county with his parents, who moved to Alma. About eight years ago he went to Mecosta county and purchased a farm and later purchased a hotel in that county, which he was conducting at the time of his death. At the age of 19 he was married to Miss Roxey Vail, this being in 1878. Four children were born to this union, two of whom, Claude of St. Louis and Arthur of Saginaw, survive with his aged father, W. W. Rollin of this city. In 1912 he was married to Miss Smith, who was with him at the time of his death. In addition to his aged father, his wife, and two sons, he is survived by two sisters, Mrs. Leon Rice of Iwell, and Mrs. L. Irish of Alma, and a brother, Frank Rollin, of St. Louis.

Summer Complaint in Children There is not anything like so many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with castor oil as directed and proper care is taken as to diet, it is safe to say that fully ninety-nine out of every hundred cases recover. Mr. W. G. Campbell of Butler, Tenn., says "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for this purpose."

Certain-teed Roofing Costs Less to Lay

You will appreciate the low cost and convenience of laying Certain-teed Roofing.

Skilled labor is not required to lay it properly. You save much of the expense of hiring trained workmen and avoid delays because of a scarcity of such men.

But this is only one of the Certain-teed economies. It also costs less to buy and less to maintain than any other type of good roofing.

In addition, Certain-teed roofing is weather-proof, fire-retarding and spark-proof. It is guaranteed for five, ten or fifteen years, according to weight. Experience proves that it usually outlasts its guarantee by years of satisfactory service.

See your dealer about Certain-teed Roofing. If he can't fill your entire order from stock, he can get what you want quickly from a nearby Certain-teed distributing center.
